FULL STACK SOFTWARE ENGINEER

Meticulous and results-oriented developer experienced in Ruby and JavaScript based programming who takes on new challenges with determination and excitement. Consistently meets last minute deadlines by utilizing time management skills while working with a sense of urgency as demonstrated in the 6+ year tenure as an international flight attendant. Effective, collaborative and adaptive professional who thrives in environments that challenge the mind to solve technical problems. Looking to leverage evolving tech skills to grow in a role that encourages learning and creativity.

TECHNICAL SKILLS

- Ruby
- Rails
- JavaScript
- React
- PostgreSQL / SQLite
- HTML / CSS

TECHNICAL PROJECTS

MyStyle - Github | Demo
Never waste time trying on outfits. With MyStyle, a user can manage their closet and try on outfits digitally.
- Programmed with Rails 5 API server for ease, PostgreSQL for durability and React.js frontend
- Utilized Bootstrap, Material-UI and Semantic-UI for component styling and custom CSS for closet and clothing fit

DJ Booker - Github | Demo
With Booker, all available DJs are in one spot, available for hire at the click of a button.
- Developed with Rails 5 API backend, PostgreSQL and React.js frontend for a more synchronized user experience
- Designed using Semantic-UI for multiple components, forms and buttons and custom CSS for spacing

HeirBnb - Github | Demo
For those with luxury rentals in mind, HeirBnb allows a user to book their favorite lux escape around the world.
- Built with Rails 5 API for quick setup, PostgreSQL for multiple data types and vanilla JavaScript frontend for simplicity
- Designed with HTML5, custom CSS, Bootstrap carousel for landing page and MapBox API

PROFESSIONAL EXPERIENCE

International Flight Attendant
AMERICAN AIRLINES | New York, NY | September 2014 - Present
- Utilized SABRE operating system to construct monthly work schedules and research flight information
- Elevate customer experience using prior fine dining training, serving 200+ individuals both independently and in a team without supervision, resulting in multiple 'Above and Beyond' certificates of recognition
- Provided leadership and reasoning as Purser for 13+ crew members on international flights
- Ensured the safety, security and comfort of all customers by utilizing crew resource management to respond to a variety of emergency and non-emergency situations

Public Relations Coordinator
KIKI DE MONTPARNASSE | New York, NY | April 2013 - April 2014
- Authored all communications with and provided samples for editors and stylists for press pulls which resulted in features in major international publications, including, but not limit to, Vogue
- Executed press pulls for Mel Ottenberg which appeared in half of Rihanna's 'What Now' Music video
- Trained and managed interns to pack press request and maintain appearance of showroom
- Managed multiple in-store and off site events, including model castings

EDUCATION

FLATIRON SCHOOL | New York | 2021 - Immersive Full Stack Software Engineering Bootcamp
RUTGERS BUSINESS SCHOOL | New Jersey | 2013 - Bachelor of Science: Marketing
